| 2.4. | Members discussed how their rural amenity had degraded over the past 10 years and were concerned that over the next 10 years it would be so further eroded that a rural lifestyle would become untenable. |
| 2.5. | A property consultant, Nick Di Lello, addressed the meeting. He said that he represented several property development companies that were interested in the north Banjup and north Jandakot area. He said that it was important for property owners to have choices for their futures. He would be available for private discussions with any property owners. He can be contacted on 0422 230 230 and at nick.dilello@iinet.net.au . |
| 2.6. | On a show of hands, 100% of residents present favoured to submit to the WAPC that all rural properties north of Armadale Road would lose their ambience and so should be rezoned for urban or commercial use. |
| 2.7. | The submission to the WAPC must be delivered by 31 July. |
| 3. | Next Actions |
| 3.1. | By the weekend, the Banjup Residents Group will send by email to all registered residents a draft submission for their review and comment. |
| 3.2. | Any resident may make their own submission to the WAPC. |
| 3.3. | Residents were encouraged to write or email to the WAPC to state their endorsement of the Banjup Residents Group submission. This would strengthen the credibility of the BRG case. |
